

WINGS PROJECT

Elevating Women Entrepreneurship Initiatives for Generating Sustainable Impact and Networks

Mag. (FH) Lisa Mahajan

FH JOANNEUM - SEVILLE, 12/11/2015

WOMEN, ENTREPRENEURSHIP & NETWORKS

- Perceived capabilities= greater likelihood to see opportunities start a business¹
- Difficult to penetrate in the right networks²
- Only 30% of the EU start-up business were initiated by women³
- There are less female than male entrepreneurs in almost all economies⁴
- Females have a greater level of failure and exits⁴
